I will have m=chael check this email when he gets home from golf. if he doesn't sign soon= anytime really would work. a long weekend would be best though. we really =ant to use that golf course/dining at least once!! We can take, you, your g=rlfriend and kiddos out for a nice night there while we are there.

Kristen Peca wants to take Kenner and his family out to a "nice night" when they come to AZ for vacation -- while staying at Kenner's home...
